

Terms and Conditions of Sale and End User License Agreement (version no 20210611)

The license of Software by **Mechanical Simulation Corporation**, its subsidiaries, or any affiliates (collectively, "MSC") to the customer ("Licensee") identified on the MSC Quote (defined herein) is expressly subject to Licensee's acceptance of these Terms and Conditions of Sale and End-User License Agreement ("Agreement"):

1. DEFINITIONS:

- a. *"Derivatives"* means any derivatives, modifications, revisions, enhancements, upgrades, updates, releases, error corrections, interfaces, patches, workarounds, or bug fixes relating to the Software, regardless of the author.
- b. *"Documentation"* means those printed or electronic instructions, user manuals and diagrams pertaining to the Software that may be provided by MSC from time to time.
- c. *"License Key File"* means a license key file that defines the Software license type and enables use of the Software on a specific computer in conjunction with: (i) an electronic hardware device with a specific firmware code, which plugs into a computer port (e.g., serial, parallel, or USB port), provided that the code in the license key file and firmware code correspond with one another, or (ii) the hardware identifier on a specific computer, provided that the hardware identifier in the license key file and the hardware identifier on the computer correspond with one another.
- d. *"MSC Quote"* means MSC's quotation for a Licensee order, which quote includes: (i) the license type, (ii) a description of the Software being licensed and (iii) the version number of the Software; specific order terms on the face of a customer purchase order may constitute additional MSC Quote terms binding on MSC only if the same is approved by MSC in writing.
- e. *"Software"* means the software products of MSC specifically identified on the MSC Quote, including the original version of the software, any corresponding Software Maintenance Releases and Derivatives of any of the foregoing.
- f. *"Software Maintenance Release(s)"* means Software maintenance releases provided to a customer on CD-Roms or via the internet by MSC or one of its designated technical support providers.

2. SOFTWARE LICENSE AND LIMITATIONS:

- a. *Software License.* Subject to the license type defined by the License Key File and set forth in the MSC Quote and its corresponding terms set forth below in any of Sections 2(a)(i) – (iii), MSC grants Licensee a non-exclusive, limited license to use one (1) object code copy of the Software and the corresponding License Key File and Documentation for Licensee's internal business purposes, as long as Licensee (and its employees) comply with the terms, conditions, and limitations of this Agreement.
- (i) *Single-Station License.* For Software designated as licensed under a Single-Station License or for embedding within another hardware or software application, Licensee may use the Software only when embedded in a single desktop PC, a laptop as specified in the Single Station License Documentation, or within the hardware or software application in which it is embedded. Licensee and its permitted sublicensees under Section 2(c) are prohibited from using the Software in any other way whatsoever, including on any other computer or device.
- (ii) *Single Country Network License.* For Software designated as licensed under a Single Country Network License, Licensee may install and use the Software on a network within one (1) country defined by the License Key File and specified in the MSC Quote whereupon Licensee (and its employees) may use the Software on personal computers within the network or on personal computers outside of the network as "checked-out copies," which use shall in aggregate be limited to the amount of licensed users defined by the license management software contained therein. Licensee (and its employees) may use the Software solely for the purposes described in the Single Country Network License Documentation and are prohibited from using the Software in any other way whatsoever.
- (iii) *Global Network License.* For Software designated as licensed under a Global Network License, Licensee may install the Software on a network server serving multiple countries defined by the License Key File and specified in the MSC Quote whereupon Licensee (and its employees) may use the Software on personal computers within the network or on personal computers outside of the network as "checked-out copies," which use shall in aggregate be limited to the amount of licensed users defined by the license management software contained therein. Licensee (and its employees) may use the Software solely for the purposes described in the Global Network License Documentation and are prohibited from using the Software in any other way whatsoever.

Any modification, circumvention or disabling of the License Key File is strictly prohibited. In addition to the foregoing license terms, the Software may be subject to additional or different license terms set forth in the MSC Quote.

b. *No Derivatives or Reverse Engineering.* Regardless of the license type set forth in Sections 2(a)(i) – (iii), Licensee is prohibited from creating Derivatives of, reverse engineering, decompiling, disassembling, or translating the Software or integrating the Software with any other software.

c. *Transfers.* For Software expressly licensed by MSC to Licensee under an MSC Quote for embedding within another hardware or software application, Licensee may distribute embedded Software to end-users solely for their internal use pursuant to Section 2(a)(i). In all other cases, regardless of the license type set forth in Sections 2(a)(i)–(iii), Licensee is prohibited from transferring, selling, distributing, assigning, renting, leasing or sublicensing the Software to any other computer, device or third party without the express written consent of MSC. Sublicensees shall be bound by this Agreement and the Software license terms and no sublicensee shall have any third party beneficiary rights other than as a limited sublicensee under Section 2(a)(i). Licensee shall be responsible for each sublicensee's adherence to this Agreement and the Software license terms. Licensee hereby agrees to indemnify MSC for any corresponding breach by any sublicensee or other third party transferee.

d. *Term of License; License Key File Renewal.* The license term (i.e., perpetual license or a leased license) shall be defined by the License Key File and set forth in the MSC Quote. Unless otherwise provided on the MSC Quote, Licensee must renew the License Key File (even for a perpetual license) prior to its stated expiration by using the renewal means provided by MSC in order to continue using the Software in accordance with the corresponding license type set forth in Sections 2(a)(i)–(iii). Licensee shall be responsible for License Key File renewal.

3. MAINTENANCE AND TECHNICAL SUPPORT:

- a. One year of Software maintenance and technical support is included in the license fee for each Software product. After expiration of the initial year of maintenance and technical support, Licensee may purchase additional Software maintenance and technical support at the price set forth in the MSC Quote. Software maintenance and technical support does not include development of any PARS files (datasets); for an additional fee, MSC may provide Licensee engineering services to develop PARS files (datasets).
- b. Software Maintenance Releases will be provided to Licensee by MSC or its designated technical support provider, which will include minor Software Product update releases for bug fixes and minor functionality improvements and major Software Product version releases. The necessity for and timing of Software Maintenance Releases shall be determined by MSC in its sole discretion.
- c. MSC will provide technical support via telephone or e-mail. For e-mail support, licensees may contact tech@carsim.com, which includes addressing and fixing bugs and support for technical queries and usage problems. MSC will provide telephonic technical support from 9:00 a.m. to 5:00 p.m. Eastern U.S. time to those licensees served directly by MSC in the United States at +1 (734) 668-2930. Licensees who are served by a designated technical support provider outside the United States may contact their designated technical support provider during normal business hours in their location, or MSC directly during the hours listed above.

4. **FEES AND PAYMENT:** Licensee shall pay MSC's fees for the Software, the License Key File, the Documentation and any maintenance and technical support within thirty (30) days of the date of a valid invoice, except as otherwise provided in an MSC Quote. Balances that remain unpaid more than thirty (30) days after they become due may be subject to a late charge of 1.5% per month. Any applicable sales, use, excise, withholding, value added, property, duty and other taxes and government charges imposed on transactions with Licensee (except for taxes based on MSC's net income) are in addition to the fees stated.

5. **DISCLAIMER OF WARRANTY/LIMITATION OF LIABILITY OF MSC:** TO THE EXTENT ALLOWED BY LAW, MSC HEREBY DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE SOFTWARE. MSC DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS OR THAT OPERATION WILL BE UNINTERRUPTED OR ERROR FREE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY MSC, ITS VALUE ADDED RESELLERS, DISTRIBUTORS, AGENTS OR EMPLOYEES SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY, AND LICENSEE MAY NOT RELY ON ANY SUCH INFORMATION OR ADVICE. MSC SHALL HAVE NO LIABILITY FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL OR INCIDENTAL DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) ARISING FROM THE USE OF OR INABILITY TO USE SUCH SOFTWARE EVEN IF MSC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6. **INTELLECTUAL PROPERTY RIGHTS:** Except for the non-exclusive limited license granted under this Agreement, the Software, the License Key File (and any corresponding dongle), the Documentation, and all title, interest, copyrights, patents, trademark, trade secrets, and other intellectual property rights therein, are and shall remain the exclusive intellectual property of MSC. The structure, organization and code of the Software are confidential information of MSC and shall neither be examined by Licensee (or its employees) nor disclosed by Licensee (or its employees) to any third parties. Licensee shall take appropriate measures to secure and protect the Software and any copies thereof in a manner consistent with the maintenance of the rights of MSC in the Software and to take appropriate action by instruction or agreement with its employees who are permitted access to the Software in order to satisfy Licensee's obligations under this Agreement. Licensee shall reproduce all copyright notices supplied on all copies of the Software. The Software is protected by copyright, trade secret and other intellectual property laws, including without limitation by United States Copyright Law and International Copyright Treaties.

7. **CONFIDENTIALITY:** All Software, whether in the form of source code or object code, the License Key File (and any corresponding dongle) and the Documentation provided by MSC to Licensee shall be deemed confidential information and shall not be disclosed, in whole or in part, to third-parties unless permitted by MSC in writing. Licensee shall not be obligated to keep confidential information which is or becomes a part of the public domain through no wrongful act or omission by Licensee, or is already known by Licensee, or is independently developed by a third-party or is disclosed under proper judicial or governmental process.

8. **RECORDS AND LICENSE VALIDATION:** As a condition of the license granted to Licensee in this Agreement, Licensee agrees to maintain a complete list of all registered locations, servers and PCs or laptops in which the Software is installed or used, and shall make this list available to MSC within 15 business days of MSC making a request for the list. Licensee agrees to cooperate fully with MSC including making the appropriate contact person available to assist MSC in a review of a site as agreed upon by the parties, including answering any questions and providing MSC with access to agreed-upon computers and records present on the site. MSC will act reasonably in accommodating any requests by Licensee to schedule a visit. As a condition of the license granted to Licensee in this Agreement, Licensee agrees and accepts the fact that the Software will communicate with third-party servers for the purpose of ensuring that Licensee is using the Software in conjunction with a valid License Key File that MSC has created and directly provided to Licensee. This process will not collect any proprietary information of Licensee and MSC will not provide any of the information it gathers in connection with this process to any third party, except (a) as may be required by law or legal process, or (b) to validate and/or enforce compliance with the Software license and limitations set forth in Section 2 hereof.

9. **TERMINATION/CANCELLATION:** This Agreement and the Software license granted herein shall be perpetual unless limited to a stated term defined by the License Key File and set forth in the MSC Quote. This Agreement and the Software license may be terminated before expiration of the license by MSC upon notice to Licensee for a failure of Licensee (or its employees) to adhere to the terms, conditions, or limitations set forth in Section 2 (Software License and Limitations), Sections 6 (Intellectual Property Rights), Section 7 (Confidentiality), Section 8 (Records), or Section 11 (Export Regulation), which termination shall become effective upon notice delivery with no further opportunity to cure. Upon termination as provided herein, Licensee shall return all copies of the Software (and the License Key File, including any corresponding dongle, and all Documentation) to MSC, 755 Phoenix Drive, Ann Arbor, Michigan 48108 USA. Sections 2.b, 5, 6, 7, 8, 10, and 11 shall survive the termination of this Agreement or the Software license for any reason.

10. **GOVERNING LAW AND CONSENT TO JURISDICTION:** This Agreement shall be construed in accordance with and governed by the laws of the state of Michigan and federal laws of the United States. The parties submit and consent to the exclusive jurisdiction of the courts of Michigan. The parties hereby expressly exclude the application of the United Nations Convention on Contracts for the International Sale of Goods and any applicable provincial International Sale of Goods legislation, as amended, replaced or re-enacted from time to time.

11. **EXPORT REGULATION.** The Software, Documentation and Derivatives ("Regulated Products") may be subject to "U.S. Export Control Laws," which include the Export Administration Regulations, the International Traffic in Arms Regulations, as well as the economic and trade sanctions administered and enforced by the Office of Foreign Assets Control. The Licensee shall comply with all U.S. Export Control Laws. At no time may Licensee or any of its affiliates be or hereafter become listed on (a) the BIS Denied Persons, Entity, or Military End User (MEU) Lists, (b) the OFAC Specially Designated Nationals (SDN) or Sectoral Sanctions Identifications (SSI) Lists, or (c) any other list comprising the U.S. Consolidated Screening List (CSL). Furthermore, Licensee shall not, and shall not permit any third-parties to, directly or indirectly, export, re-export or release any Regulated Products to any person, firm or entity, to any country, or for any end-use prohibited by U.S. Export Control Laws. The Licensee shall obtain any necessary export license or government approval prior to exporting, re-exporting or releasing Regulated Products. The Licensee shall provide prior written notice of the need to comply with U.S. Export Control Laws to any person, firm or entity which the Licensee has reason to believe is obtaining the Regulated Products from the Licensee with the intent to export. The Licensee is responsible for any breach of this Section 11 by its parent, affiliates, employees, officers, directors, customers, agents, distributors, resellers or vendors, as well as such parties designated by its successors and permitted assignees.

12. **DATA PROTECTION AND PRIVACY POLICY.** Any personal data collected and/or processed by MSC in connection with the Software license granted hereunder, and all related maintenance and technical support services provided by MSC to Licensee shall be subject the MSC Data Protection and Privacy Policy accessible here: https://www.carsim.com/downloads/pdf/msc_data_protection_and_privacy_policy_gdpr_and_ccpa.pdf

13. **CALIFORNIA CONSUMER PRIVACY ACT.** With respect to personal data governed by the California Consumer Privacy Act of 2018, as amended (the "CCPA"), received by MSC in connection with the Software license granted hereunder, MSC is prohibited from: (i) retaining, using, or disclosing such personal data for any purpose other than for the specific purpose of performing the services hereunder, or as otherwise permitted by the CCPA, including retaining, using, or disclosing personal data for a commercial purpose other than providing the services hereunder; (ii) selling such personal data; or (iii) retaining, using, or disclosing such personal data outside of the direct business relationship hereunder.

14. **MISCELLANEOUS:** The parties have required that this Agreement and all corresponding documents be written in English. Licensee is prohibited from transferring or assigning this Agreement to any third party without the express written consent of MSC. Any authorized transferee shall be bound by the terms and conditions of this Agreement. No waiver of or failure to act regarding any breach or default hereunder shall be considered valid unless in writing, and no such waiver shall be deemed a waiver of any subsequent breach or default. MSC shall not be responsible for delays or defaults where occasioned by any causes of any kind and extent beyond its control, including but not limited to, delays in shipping the Software, delays caused by Licensee (including but not limited to changes in specifications), weather, delays in transportation, shortages of materials, civil disorders, labor difficulties, vendor allocations, fires, floods, accidents and acts of God. The Software, the License Key File (and any corresponding dongle), and the Documentation may be subject to export or import regulations in other countries. MSC and Licensee agree to comply and adhere to all such regulations. If any provision of this Agreement is held by a Court of competent jurisdiction to be illegal, invalid or unenforceable, that provision shall be severed from this Agreement. The validity of the remaining provisions of the Agreement shall not be affected and shall remain in full force and effect. Headings are for convenience only and are not deemed to be part of this Agreement. This Agreement constitutes the entire agreement between MSC and Licensee with respect to the subject matter hereof, and supersedes all prior or contemporaneous proposals, agreements, and other communications, written or oral, relating to the subject matter hereof. This Agreement may be amended or modified only by a written instrument signed by an authorized representative of MSC and Licensee.
